

Appendix 1 - Course Selection form (For Master Students)

Students applying the exchange program are required to fill up this appendix for course selection (**One form for one Exchange University**).

1. Applicants of Master program must seek the corresponding program coordinator's approval for course selection. Each master student can only select two courses.
2. This form should be submitted with the Exchange Program Application Form to FLL General Office.
3. Upon arrival at the exchange university, students are required to enroll only the courses that have been STATED in this form.
4. In case the courses stated in this form are NOT AVAILABLE from the Host University, the student, under the approval of the FLL, is allowed to process ADD new courses and drop the unavailable courses (only courses which have been approved before being taken can be substituted).
